

How to Invite a Regulatory Agency Inspector User

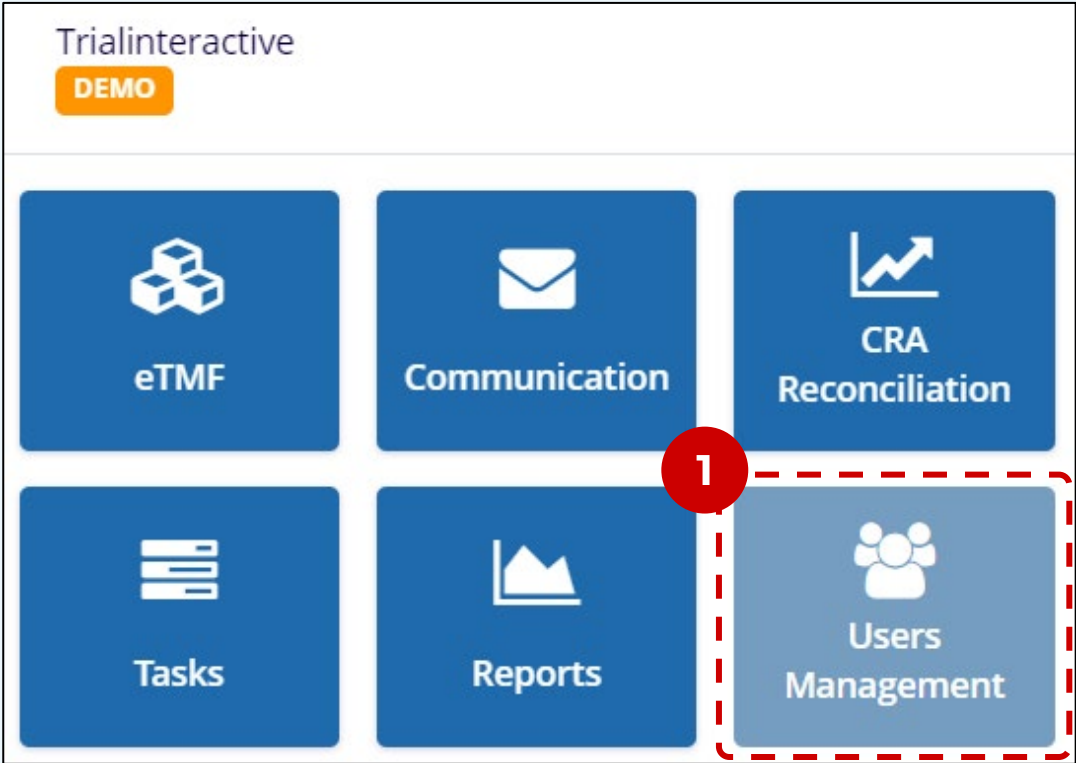

TI version 10.6

APPLICABLE TO:

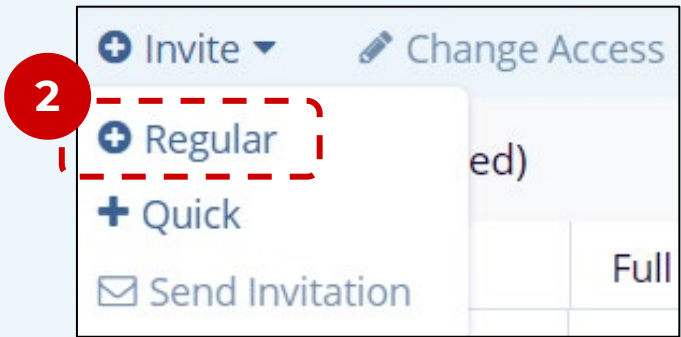

- ☒ Admin
- ☐ Manager
- ☐ Editor
- ☐ Reader
- ☒ eTMF

The Regulatory Agency Inspector restriction can be applied to any Reader or Editor user. These users will only be able to access the Reports module and Audit module. The feature may need enabling in your room before it can be used.

1 Enter the room and navigate to the **Users Management** panel via the Navigation Grid.

2 Expand the **Invite** tray and select **Regular**.

3 Set the user profile fields as standard

4 Click the toggle for Regulatory Agency Inspector (indicator turns

5 green)
