How to Set User Notifications

APPLICABLE TO:

- Admin
- Manager
- Editor
- Reader

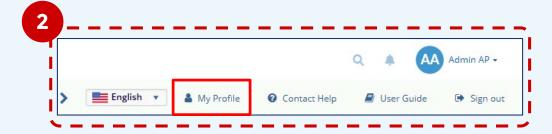

- eTMF/ Study Start-Up
- Collaborate

1 Login to Trial Interactive and click the **Username Menu** at the top right of the screen.

(Note: you do not have to enter a room in order to set User Notifications)

2 Open My Profile

On the left side of the screen, click the **Bell Icon** to open the notifications menu.

Select a Room from the list to manage your notifications for that room.

The system will show rooms you marked as **Favorites** by default. Select **All Rooms** to view the complete room list. The search bar can be used to locate a room by name.

How to Set User Notifications

Turn notifications on or off with the switches on the right

Mini Notifications are issued at set intervals which can be configured by a Room Administrator
