 Navigate to the Users
 Management application from the Navigation Grid (waffle)

2. Click on the
Responsible
Department Icon on
the left to open the
module

4. Enter the Department Name (ex. Quality Assurance, CRA's, Training)

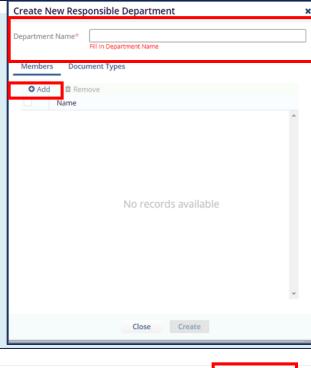

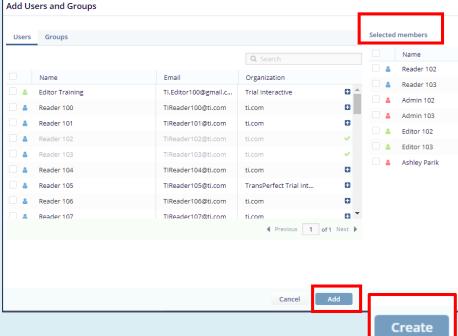

Note: The Department Names will be internal teams. These are teams that will be assigned responsibility for specific document types.

5. Add members and groups of users to the newly created Department, click the Add button.

Drag the users and groups you wish to add into the Selected Members Box on the left.

6. Click Add, then Create to make the department.

For assistance in adding document types to responsible departments, please see the Adding Documents to Responsible Departments job aid in Trial Interactive
