1. Login to Trial Interactive

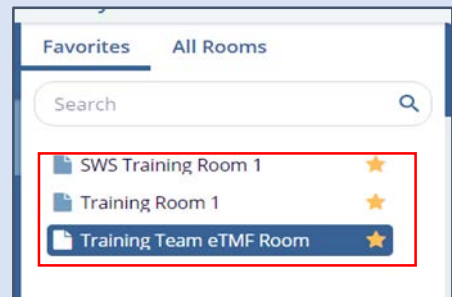

(Note: you do not have to enter a room in order to set the **User Notifications**)

2. Click the Username Menu on the right and open **My Profile Settings**.

3. On the left side of the screen, select the **Bell Icon** to open the notifications menu.

4. Select a room from the list of rooms to which you have been granted access to manage your subscriptions for that room.

The system will default to showing rooms marked as **Favorites**. Select **All Rooms** to view complete room list. The search bar can be used to locate a room quickly.

5. Select from the available notifications. Subscription choices differ between access roles, i.e. Reader, Editor, Admin.
